

Our safety barriers, sneeze-guards, and dividers are the perfect solutions to keep students and employees extra safe this year. Made from corrugated plastic with a COVID shield, they are easily sanitized and are ideal for any public space.

## **AVAILABLE IN TWO SIZES**

We offer a large and medium size and can print and distribute thousands of pieces any where in the nation!

\*Sign holder w/ adhesive optional

## **LIGHTWEIGHT & SANITIZABLE**

Easily moved and carried, weighing under 1.5lbs, our barriers and dividers are made from corrugated plastic so they can be cleaned and sanitized.
